Warren Wamba

has successfully completed the online, non-credit Specialization

Practical Guide to Trading

This specialization was designed for those students who may already be deeply involved in one facet of the capital markets, but who desire a better understanding of how capital flows around the world. The interweaving of several capital markets will be apparent to students keen to learn about its mechanics. The completion of this specialization is to reflect that the student has completed an education only based module through Coursera. This certificate is for personal use only, it is not to be used for professional promotion, purpose, or as a verification of investment competency. Interactive Brokers LLC has no affiliation with the certificate holder, and does not represent the completion as an endorsement or recommendation of any product, service or investment information or individual
